These launches represent an exciting milestone in the effective delivery of specialty services to our patients, as *we have reached 23 clinics live on eConsult!*

We are grateful to our partners at IEHP, ARMC and RUHS for their sponsorship over the past 11 months of eConsult work. We also appreciate our committed specialty reviewers whose response to the initial request for assistance on average has been less than 24 hours.

Calling ALL Primary Care Providers

Our Primary Care (PCP) Workgroups are an important part of IEHP's efforts to improve specialty care delivery. We are always interested in feedback from Primary Care Providers. Contact Jessica Ayala (Ayala-J2@iehp.org) if you are a PCP interested in being part of a workgroup.
