August 2019

Welcome to our first WISE Healthcare newsletter! I want to take a moment to share a recent highlight with you. Our workflow engineering team charged with implementing the Multi-County eConsult Initiative ([MCEI](#)) has achieved more than 15,000 eConsults for our client, Inland Empire Health Plan, since the program launched in late 2018. Check out our latest [press release](#), and feel free to email me at info@wise.healthcare at any
