

November 2019

Since the start of the Multi-County eConsult Initiative, we have reached 32,768 total eConsults with 11,106 submitted by RUHS primary care clinics!

### **Meet Your Specialist Reviewer**

**DR. EDWIN KRICK**

Meet Dr. Edwin Krick, MD, MPH. He is a rheumatologist and is affiliated with the Inland Empire Health Plan and the Arrowhead Regional Medical Center. After graduating from Loma Linda University 1961, he started a clinic in Kobe, Japan. He returned to the states in 1970 to earn a masters in public health. He has been in practice for fifty-eight years. He has completed 238 eConsults.

### **RUHS News!**

On average, 35% of eConsults from the Correctional Health Facility have been resolved without the need for a face-to-face encounter. Cardiology and hepatology services lead with 86% and 60% non face to face rates, respectively.

The efforts of Epic Certified Trainers, Primary Care Providers, and Provider Service Coordinators made these rates a reality.

Thank you for your dedication and perseverance!
