Access to information. Access to care.

October 2019

On November 6, 2019, IEHP hosted the 2nd Annual eConsult Learning Collaborative where PCPs and Specialist Reviewers discussed ways in which to improve eConsult dialogs to maximize patient access to specialty care. Thanks to this continued Provider collaboration, the MCEI has reached 29,001 eConsults, with 9,888 contributed by IEHP Direct. Please enjoy these pictures from the event.

For questions about eConsult use and functionality, or if you are interested in being a part of the initiative, call the MCEI Help Desk at (909) 687- 0244 or email eConsultie@iehp.org.
