

## Multi-County eConsult Initiative

### August Specialty Care Newsletter

**23 clinics are currently live and more than 1,600 eConsults submitted!**

**1,600 eConsults!**

**eConsult services growing quickly**

More than 1,600 eConsults have been responded to in 12 specialties to date. This represents an exciting milestone in the effective delivery of specialty services to our patients. We are grateful to our partners at Inland Empire Health Plan, Riverside University Health System, and Arrowhead Regional Medical Centers for their sponsorship of the first 11 months of eConsult work. We also appreciate our committed specialty reviewers whose response to the initial request for assistance has averaged **less than 24 hours!**
