1,000 eConsults!
eConsult services growing quickly

More than 1,000 eConsults have been responded to in 12 specialties to date. This represents an exciting milestone in the effective delivery of specialty services to our patients. We are grateful to our partners at Inland Empire Health Plan, Riverside University Health System, and Arrowhead Regional Medical Centers for their sponsorship of the first 11 months of eConsult work. We also appreciate our committed specialty reviewers whose response to the initial request for assistance has averaged **less than 24 hours!**

Calling all Primary Care Providers!

Our Primary Care (PCP) Workgroups are an important part of IEHP's efforts to improve specialty care delivery. We are always interested in feedback from Primary Care Providers. Contact Jessica Ayala (Ayala-J2@iehp.org) if you are a PCP interested in being part of a workgroup.
