

# Specialty Care

July 2019

Since the start of the Multi-County eConsult Initiative, we have reached more than **16,000 total eConsults** submitted by ARMC, RUHS, and IEHP Direct sites.

## SPECIALISTS OF THE MONTH

**DR. BRUCE GIPE**  
**DR. FERNANDO SORTO**  
**DR. LYDIA AYE**  
**DR. CHRISTOPHER SHERMAN**

We would like to acknowledge the prompt responses with quality dialogs as well as coverage for your colleagues.

## Specialty Workgroups (once a month call-in)

### Why you should participate:

- Both ARMC and RUHS will be redirected from eConsult where it will replace the IEHP eReferral form—inducing a response of eConsult submissions.
- Clarifying Questions and how you can help build a better dialog submission. What criteria matters most in a dialog? We need your expertise!
- What are the major differences to each network: IEHP, ARMC, & RUHS?
- What happens when an IEHP Member is unable to access RUHS or ARMC facilities for treatment?

Keep an eye out for the Specialty Workgroup reminders for each of the different Specialties.
