Your efforts are improving patients' access to appropriate care!

Specialists offered their recommendations to primary care physicians remotely and coordinated their patients' care for **over one-fourth** of eConsults submitted for **infectious disease** services!

By coordinating with over 500 primary care physicians across 93 clinic sites, you and nearly 100 other specialists were able to serve **3,736 patients** by offering your specialty advice or care.

Welcome Aboard!

Workflow Engineer Nida Javed trained a **podiatrist** and a **cardiologist** to review eConsults from primary care physicians. The specialists are joining you and 100 other specialists in a mission to bring access to specialty care to the Inland Empire.
